

Energy saving cabinet lighting

ToLEDo™ MicroLynx

The ToLEDo™ MicroLynx LED range is the replacement for compact fluorescent GX53 lamps. Sylvania offers two versions which deliver 470lm and 650lm, both lasting up to 15,000 hours. ToLEDo MicroLynx GX53 has a frosted finish and is available in both warm white 3000K or cool white 4000K colour temperatures. This compact and low-profile range is perfect for cabinets and under-cabinets in kitchens, bedrooms, hallways, staircases, display units and showcases. It comes with a 3 year warranty for complete peace of mind.

ToLEDo™ MicroLynx
