

High performance dimmable LED lamp

RefLED® Retro ES111

The new RefLED® Retro ES111 Dimmable, with its halogen look and the latest LED technology from Sylvania, is the perfect LED retrofit solution for your business, ensuring a quick payback.

The new RefLED® Retro ES111 Dimmable is an energy efficient solution with reduced maintenance costs and becomes the ideal replacement for the halogen equivalent.

The lamp is available in 1150lm and beam angle of 25° with a colour temperature of 3000K.

RefLED® Retro ES111 Dimmable is ideal for accent lighting and general illumination, especially in stores, hotels, restaurants, bars and pubs.

RefLED® Retro ES111

Features
